

# MOR – MIXED-OFFICE RESIDENTIAL ZONING DISTRICT

## ZONING DESCRIPTION SHEET

According to Section IV-2 of the Zoning Ordinance, the purpose and intent of the MOR Zoning District is as follows:

*“The MOR, Mixed-Office Residential District is intended to encourage a mixture of residential, office and small-scale business land uses that are limited in scale and intensity and designed and constructed to be compatible with existing structures in the district. The district is intended to encourage the adaptive re-use of existing older structures through incentives that will extend the useful life of such structures. New construction shall be designed and constructed in a manner that is consistent with the character of the district. The land uses permitted and the development regulations required in the MOR District are intended to protect nearby residential uses by limiting the scale and intensity of the uses and buildings that may locate in this district. The MOR District is appropriate for mixed uses on small sites which need a careful evaluation of use-to-use compatibility so that the stability and value of surrounding properties are best protected. (Ordinance No. 2003-11-120, 11-25-03)”*

Following is a list of the Permitted Uses, Special Uses, Planned Unit Development Uses and Conditional Uses in the MOR District. Permitted Uses are allowed by right.
