FOR IMMEDIATE RELEASE

March 25, 2022

**LINCOLN & SPRINGFIELD RESURFACING PROJECT CONSTRUCTION RESUMES
WITH LANE CLOSURES, CLARK STREET CLOSURE AT LINCOLN AVENUE**

Beginning on Monday, March 28, 2022, the Lincoln and Springfield Resurfacing Project will resume.

The initial work will be on the northbound side of Lincoln with the right (eastern) lane being closed for traffic. The lane closure will run from Clark Street to Stoughton Street. The left (western) lane will remain open to traffic.

Clark Street will be closed to traffic at the intersection with Lincoln Avenue, on the east side of Lincoln Avenue.

Lane closures in this area may shift so please be aware of these possible shifts.

All roadway users are encouraged to travel carefully through this and all construction areas. Please do not drive through areas closed off to through traffic. Thank you in advance for your patience and cooperation during this project.

Future lane closures will be announced as they arise during all construction phases.

Questions and concerns may be to John Zeman at 217-384-2342 or projects@urbanaininois.us

Please visit the City website for more information about this project:
