FOR IMMEDIATE RELEASE

May 29, 2024

### **CITYWIDE LANE CLOSURES**

Weather permitting, there will be intermittent lane closures citywide from 7:00 a.m. on Monday June 3, 2024 until 5:00 p.m. on Friday June 7, 2024. Denler Inc. will perform joint and crack sealing at several locations throughout the City. Please see map for locations. Each lane closure is expected to last for multiple hours, with through traffic maintained by flaggers. Access to entrances and side streets may be temporarily restricted for up to 30 minutes after application of sealant during the lane closures.

Motorists are encouraged to drive carefully through this and all construction areas. Thank you in advance for your patience and cooperation during this project. Please direct questions or concerns to Justin Swinford at 217-384-2342 or [jmswinford@urbanaininois.us](mailto:jmswinford@urbanaininois.us)

*For more information about the City of Urbana, please visit [urbanaininois.us](http://urbanaininois.us). Information about current & upcoming road closures can also be found in the [online map](#).*
