

The Curtis Road Corridor Study includes 4.6 miles of Curtis Road from Dunlap Avenue/ US 45 to High Cross Road/IL 130. The goal of this study is to identify infrastructure that facilitates mobility within and between the surrounding jurisdictions as well as supports and protects the disparate surrounding land uses, including the University of Illinois agricultural research and educational fields known as the South Farms.

## Weaver Park Kickapoo Rail Trail Celebration & Ride

*Thursday, September 7, 2017*

*Weaver Park | 2205 E Main St | Urbana*

*6:45 Gather | 7pm Remarks followed by light refreshments, ride*

Urbana's Weaver Park is a trailhead facility for the Kickapoo Rail Trail providing limited parking, picnic tables, portable restroom, bike rack and trail information. Celebrate the new trail with us, the City of Urbana and the Champaign County Forest Preserve District as we look forward to future development, when the Urbana Park District can provide more complete trailhead facilities. A casual ride will conclude the event.

*Rain location and additional parking: Champaign County Highway Department, 1605 Main St, Urbana*

**Urbana** Park District
