FOR IMMEDIATE RELEASE

July 22, 2024

MUMFORD DRIVE STREET CLOSURE

Weather permitting Mumford Drive will be closed to through traffic from 7 a.m. on Monday, July 29, 2024, to 5 p.m. on Friday, August 2, 2024. Midwest Asphalt Company will install a new sanitary sewer at the intersection of Philo Road and Mumford Drive. This work will require a full road closure, which will prohibit traffic from entering and exiting neighborhoods from Philo Road.

Due to this closure, a temporary aggregate road has been constructed to maintain access. The detour route will direct motorists through the construction site located at 1501 Mumford Drive:

- For those headed eastbound, towards the neighborhood, use Access 1 on Philo Road and proceed to Access 2 to exit onto Mumford Drive.
- For those headed westbound, away from the neighborhood, use Access 2 and proceed to Access 1 to exit onto Philo Road.

Please see the maps included.

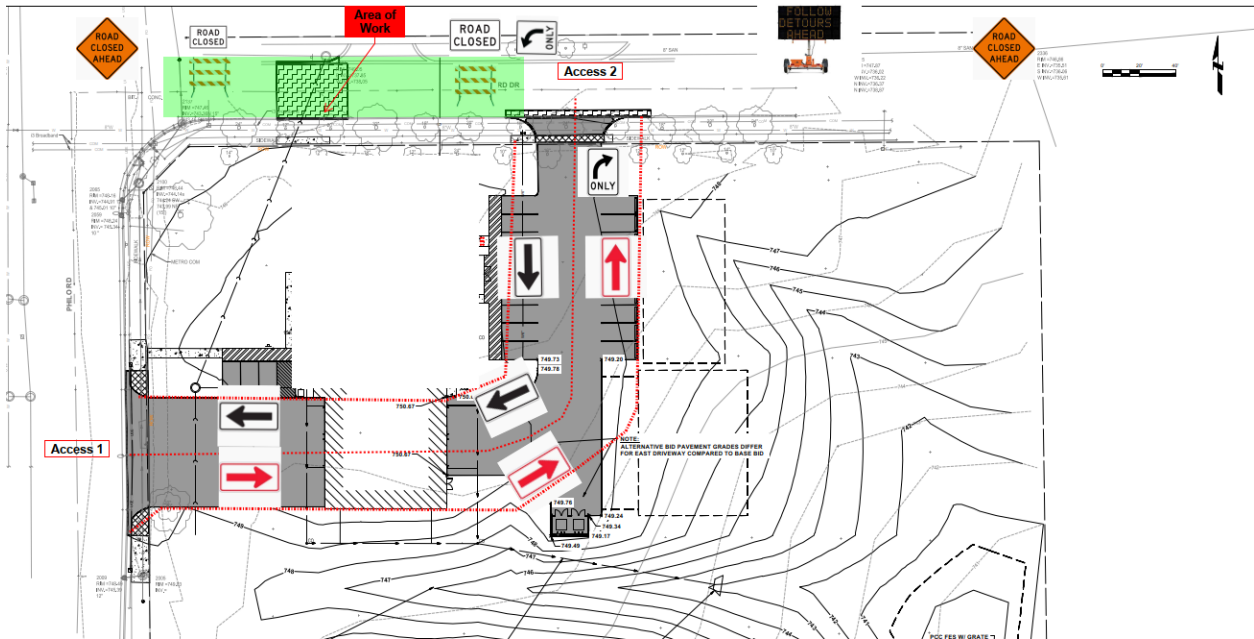

The City will provide a message board reminding motorists that this closure will be forthcoming five (5) days prior to the closure.

Motorists are encouraged to drive carefully through this and all construction areas. Thank you in advance for your patience and cooperation during this project. Please direct questions or concerns to Mr. Ray Garcia 217-918-2681 or rlgarcia@urbanailinois.us.

For more information about the City of Urbana, please visit urbanailinois.us. Information about current and upcoming road closures can also be found in the [online map](#).
