SUBJECT: **An Ordinance Amending the Urbana Zoning Ordinance** (Omnibus Text Amendment III – Plan Case 2384-T-19)

Introduction

The Zoning Administrator requests a multipart amendment to the Zoning Ordinance to:

- 1) Resolve incorrect or missing references; and
- 2) Amend Plan Commission and Zoning Board of Appeals procedures to reflect Open Meetings Act requirements and to clarify quorum; and
- 3) Amend Plan Commission duties to refer to City Code.

This is the **SECOND** of two multipart amendments to be heard at the August 5, 2019, City Council meeting. The proposed changes will reduce inconsistencies and update regulations to meet current professional practices, which will make daily administration of the Zoning Ordinance easier. Because each of these changes would not warrant a separate text amendment on its own, they are therefore being combined into one “omnibus” text amendment.

Discussion

The proposed changes to the Zoning Ordinance (see Exhibit A) are illustrated using a strikethrough and underline notation system. A ~~strikethrough~~ is used to indicate ~~deleted language~~, while an underline is used to indicate added language.

The following summarizes the proposed changes, organized by Zoning Ordinance article, and followed by a brief explanation. Staff suggests a number of grammatical corrections and organizational changes as well to improve clarity.

Proposed Text Changes

Article IV. Districts and Boundaries

1. Remove the Boneyard Creek District and Business Development and Redevelopment District from the zoning districts list

Section IV-1 lists all zoning districts in the City of Urbana. The list only includes base zoning districts and does not include overlay districts. The Boneyard Creek District and Business Development and Redevelopment Districts are both special overlay districts and do not belong in the list of base zoning districts. Since the Business Development and Redevelopment District is no longer relevant, it is also being proposed for removal (see explanation below).

2. Remove the zoning district description for Business Development and Redevelopment District

The Business Development and Redevelopment District was established to support the implementation of the Downtown Strategic Plan, which has been superseded by more recent plans. The redevelopment of the district was overseen by the Urbana Business District Development and Redevelopment Commission, which has not met in many years. The overlay district is effectively dead and should be removed from the Zoning Ordinance.

Article V. Use Regulations

3. Remove/move references to regulations for the Business Development and Redevelopment (BDR) District overlay district, and accessory off-street parking

Section V-3. D. refers to special regulations for the Boneyard Creek District and the defunct Business Development and Redevelopment (BDR) District. It also refers to a deleted section of the Zoning Ordinance. The reference to the BDR district and the associated reference to a deleted section should be removed.

Section V-3.E. is unnecessary and should be removed. Section V-3.F. restates the content of Section V-3.E. but in greater detail.

Article VI. Development Regulations

4. Correct a reference in Section VI-8. Outdoor Lighting Requirements

The section referenced does not exist. It should refer to Section VI-8.E instead.

Article VIII. Parking and Access

5. Correct a reference in Section VIII-4.C and Table VIII-7 to Section V-3.D.

Section V-3 was recently amended, which made this reference incorrect. The change will fix the incorrect reference.

Article X. Nonconformities

6. Clarify that expanding nonconforming accessory parking areas is not allowed if the expansion would increase its nonconforming status.

Section X-2.B. allows nonconforming parking areas to be expanded, but it does not provide any details on how the expansion may occur. The intent of this section is to allow expansion of parking areas if the expansion conforms to current standards. Adding a reference to accessory parking in Section X-3.C. will help clarify the intent of Section X-2.B.

Article XI. Administration

7. Amend Section XI-2. Plan Commission and Section XI.3. Zoning Board of Appeals to provide consistency with other Planning and Zoning boards on the convening of meetings and to clarify quorum.
8. Add reference to the Urbana City Code for the Powers and Duties of Plan Commission

Chapter 18 of the City Code created the Plan Commission and details its powers and duties. Including a reference to City Code will ensure consistency between the two documents.

Article XIII. Special Development Provisions

9. Include the Section XIII-8. Southeast Urbana Overlay District in the contents of the article

The Southeast Overlay District was recently created, but the table of contents in Article XIII had not been updated to include the new section.

Summary of Findings

1. The proposed amendment will assist with daily administration and enforcement of the Zoning Ordinance by improving clarity and updating language to meet current professional practices.
2. The proposed amendment is consistent with the goals and objectives of the 2005 Urbana Comprehensive Plan regarding updating various sections of the Zoning Ordinance.
3. The proposed amendment will update the Zoning Ordinance to ensure that the regulatory environment more closely matches the goals and policies of the City.
4. The proposed amendment conforms to notification and other requirements for the Zoning Ordinances as required by the State Zoning Act (65 ILCS 5/11-13-14).

Options

The City Council has the following options:

1. Approve the ordinance as presented;
2. Approve the ordinance as modified by specific suggested changes; or
3. Deny the ordinance.

Recommendation

At its July 18, 2019, meeting, the Plan Commission voted seven ayes to zero nays to forward to City Council a recommendation to **APPROVE** the proposed text amendment to revise a multiple parts of the Zoning Ordinance. Staff concurs with this recommendation.

DATE: July 18, 2019

TIME: 7:00 P.M.

PLACE: Urbana City Building
Council Chambers
400 South Vine Street
Urbana, IL 61801

MEMBERS PRESENT: Dustin Allred, Jane Billman, Andrew Fell, Tyler Fitch, Lew Hopkins, Nancy Ouedraogo, Jonah Weisskopf

MEMBERS EXCUSED: Barry Ackerson, Chenxi Yu

STAFF PRESENT: Lorrie Pearson, Deputy Director of Community Development Services Department/Planning Manager; Lily Wilcock, Planner I

OTHERS PRESENT: Karen Fresca

NEW PUBLIC HEARINGS

Plan Case No. 2384-T-19 – An application by the Urbana Zoning Administrator to amend the Urbana Zoning Ordinance with minor changes to Article IV (Districts and Boundaries), Article V (Use Regulations), Article X (Nonconformities), Article XI (Administration, Enforcement, Amendments, and Fees), Article XIII (Special Development Provisions), and to make any other changes that are deemed necessary to provide clarity and ease of administration.

Chair Fitch opened the public hearing for this case. Lily Wilcock, Planner I, presented this case to the Plan Commission. She reviewed the proposed changes to the Urbana Zoning Ordinance and summarized staff findings. She read the options of the Plan Commission and presented City staff's recommendation for approval to the Urbana City Council.

Chair Fitch asked if any members of the Plan Commission had questions for City staff. There was none. There was no public input from the audience. Chair Fitch opened the hearing for Plan Commission discussion and/or motion(s).

There was a question regarding Section XI-2.B.2. What constitutes a quorum? Is it based on the majority of the number of people to be appointed to the Plan Commission? Ms. Pearson stated

July 18, 2019

that Planning staff would check and revise the language to clarify in time for Council consideration.

Mr. Fell moved that the Plan Commission forward Plan Case No. 2384-T-19 to the Urbana City Council with a recommendation for approval including striking Section XI-2.B.1 and replacing it with the language proposed by City staff. Ms. Billman seconded the motion. Roll call on the motion was as follows:

Mr. Allred	-	Yes	Ms. Billman	-	Yes
Mr. Fell	-	Yes	Mr. Fitch	-	Yes
Mr. Hopkins	-	Yes	Ms. Ouedraogo	-	Yes
Mr. Weisskopf	-	Yes			

The motion passed by unanimous vote.

Ms. Pearson noted that this case would be forwarded to City Council on August 5, 2019.
