SUBJECT: ORDINANCE AUTHORIZING THE SALE OF CERTAIN REAL ESTATE, 1407 West Beslin Street, Urbana, IL to Habitat for Humanity of Champaign County

Description

Included on the agenda of the February 3 Committee of the Whole meeting is an ordinance authorizing the sale of city-owned property, located at 1407 West Beslin Street, to Habitat for Humanity of Champaign County (Habitat), for affordable housing development.

Issues

The issue is whether the Committee of the Whole should forward the ordinance approving transfer of the city-owned lot to the Urbana City Council with a recommendation for approval.

Background

The property was acquired through the Grants Management Division's Property Acquisition Program, which is supported by Community Development Block Grant (CDBG) Funds. This program allows the City to purchase, clear, improve, and maintain lots in order to promote and support the development of affordable housing opportunities. This is accomplished through the conveyance of such properties to not-for-profit housing developers.

A real estate investment company contacted the City to see if the City was interested in acquiring the property. This property had been a chronic nuisance for some time. The Annual Action Plan included funding for property acquisition to eliminate slum and blight, and this property qualified for that funding.

The subject property had a dilapidated, abandoned residential structure that had been in decline for several years. The City purchased the property using CDBG funds and then proceeded with the demolition and site clearance using funding available through the IHDA Abandoned Property Program.

Habitat recently contacted the City with interest in the lot for construction of their next affordable housing unit. Since CDBG funding was used to acquire the property, the City needs to ensure the

property will be used for affordable housing to a low income person. Therefore, the disposition to a nonprofit housing developer that serves families below 80% of the area median income was appropriate. The attached sales contract requires Habitat to begin construction of an affordable housing unit for sale to a low-income household by no later than December 30, 2021. The City of Urbana has supported affordable housing development by Habitat in the past by providing a number of lots on which Habitat has built single-family, owner-occupied homes. Since its inception, the local Habitat Affiliate has constructed more than 50 affordable homes in Urbana, primarily in the King School, Woodland Park, and East Water Street neighborhoods. Conveying this lot, which is located in Census Tract 53 in the King School Neighborhood, will continue the support of Habitat's affordable housing development in Urbana.

The ordinance, contract, and legal documents for the proposed transfer are similar to those previously used to convey City-owned properties to not-for-profit organizations and are attached to this memorandum for reference. The City would transfer the property by recording a warranty deed in favor of Habitat with the Champaign County Recorder of Deeds. In order to ensure that the City is protected in case of default by Habitat, a Quit Claim Deed, executed by Habitat in favor of the City, shall be placed in escrow with the Department of Community Development Services who will serve as the Escrow Agent. Once construction of the home is completed and a Certificate of Occupancy is issued, the escrow agent will destroy the Quit Claim Deed. If Habitat has not begun construction of affordable housing on the subject property as of December 30, 2021, the City may record the Quit Claim Deed and recover ownership of the property.

The contract documents include a land-use restriction agreement between the homebuyer and the City to ensure that the home constructed will remain affordable to income-qualified families for a period of ten years. This affordability period is based on acquisition and site preparation costs incurred by the City. Only income-qualified families may purchase and reside in the home during that ten-year period.

The Community Development Commission approved submitting the ordinance to the Committee of the Whole at its January 7, 2020, meeting.

Options

1. Forward the Ordinance Authorizing the Sale of Certain Real Estate (1407 West Beslin Street) to Habitat for Humanity of Champaign County to the Urbana City Council with a recommendation for approval.
2. Forward the Ordinance Authorizing the Sale of Certain Real Estate (1407 West Beslin Street) to the Urbana City Council with a recommendation for approval with suggested changes.

Fiscal Impacts

Providing this lot to Habitat would eliminate lot maintenance costs that would be incurred by the City. The house constructed at this site would generate real estate taxes and will likely have a positive effect on surrounding property values. If the lot is not conveyed to Habitat, the City would continue to incur cost of ongoing maintenance.

Recommendations

Staff recommends that the Committee of the Whole forward the Ordinance to Urbana City Council with a recommendation for approval.
