FOR IMMEDIATE RELEASE

September 6, 2024

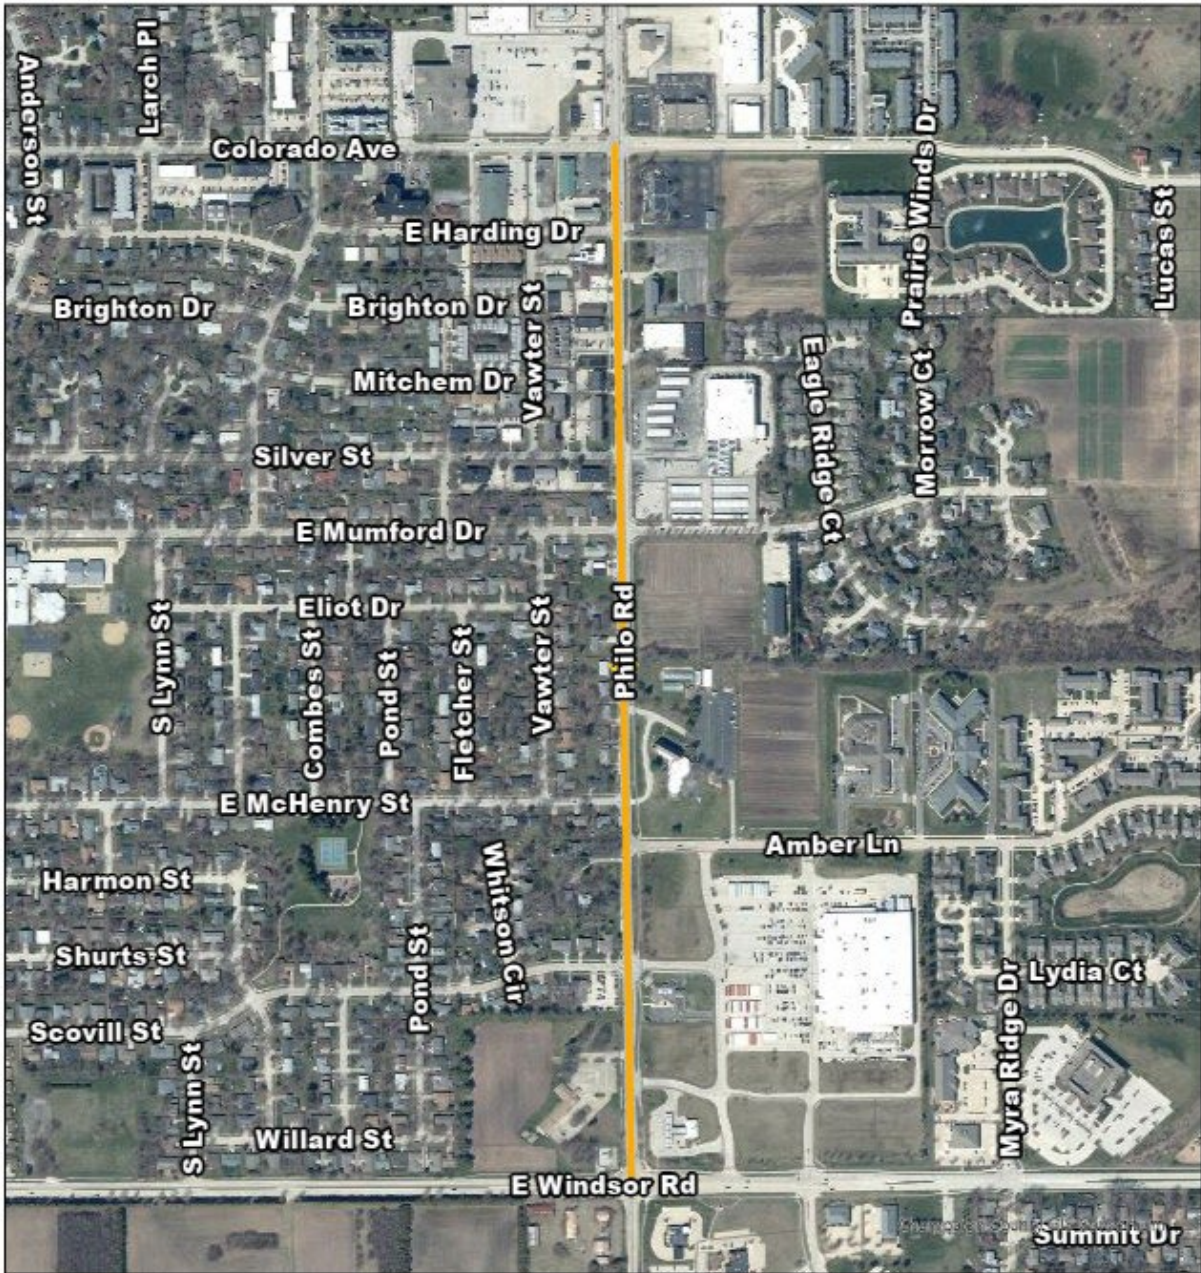

PHILO ROAD RESURFACING

Cross Construction will begin work on the City of Urbana's Philo Road Resurfacing project on Monday, September 9, 2024 at 7:00 a.m. This project will include sidewalk ramp reconstruction, curb and gutter replacement and roadway resurfacing on Philo Road between Colorado Avenue and Windsor Road.

This work will require intermittent lane shifts during construction. Two-way traffic and access to all local properties will be maintained for the duration of the project.

Motorists are encouraged to drive carefully through this and all construction areas. Thank you in advance for your patience and cooperation during this project. Questions or concerns may be directed to Mr. Justin Swinford at 217-384-2342 or jmswinford@urbanaininois.us.
