Mr. William Uden, President
and Members of the Board of Trustees
Firemen's Pension Fund
Urbana, Illinois

Gentlemen:

In accordance with our engagement, we have audited the accounts of the Firemen's Pension Fund of the City of Urbana for the fiscal year ended April 30, 1966.

In addition, we did certain bookkeeping work as follows:

- (a) Entering and Totalling cash receipts for the year.
- (b) Totalling cash disbursements for the year.
- (c) Making all ledger postings for the year.

We are submitting herewith our report including the following:

Comments and Recommendations

Schedule I: Comparative Balance Sheets, April 30,
1966 and 1965

Schedule II: Comparative Statements of Revenue Receipts,
Expenditures, and Fund Balance, for years
ended April 30, 1966 and 1965.

Schedule III: Statement of Receipts and Disbursements, for
year ended April 30, 1966.

Our examination was made in accordance with generally accepted auditing standards and accordingly included tests of the records and other auditing procedures appropriate in the circumstances.

In our opinion, the financial statements in the schedules above enumerated, attached to and forming a part of this report, fairly present the financial position of the Firemen's Pension Fund of the City of Urbana at April 30, 1966, and the results of operations for the fiscal year then ended, in conformity with generally accepted accounting principles on a basis consistent with the preceding year.

Respectfully submitted,

Gerald D. Brighton

COMMENTS AND RECOMMENDATIONS

The fund balance showed an increase this past year, but by less than a desirable amount. The increase was \$2,704.90, as shown in Schedule II, compared with \$3,548.61, the year before. The decline was because of increased pension requirements. Steps in the form of an increase in the tax levy for 1965 payable in 1966 have been taken which will help to build the fund at a more proper rate. See below.

RECOMMENDED TAX LEVY

The law which regulates the Firemen's Pension Fund, unlike the one for Police Pension Funds, does not specify a required fund balance. There is a small specified statutory reserve which is simply the reserve that happened to be on hand on a certain date, and it has no relevance to actuarial requirements. If one were to apply the Police Pension Fund rules to the Firemen's Pension Fund situation, the recommended fund balance based on the twenty-six firemen plus eight pensioners as of April 30, 1966, a total of thirty-four persons, would be $34 \times \$10,000 = \$340,000$. In fact, the fund balance was \$98,223.00 as of 4-30-65. Again, using the Police Pension rules, the target date for the recommended balance is 1999, and prorata annual progress toward the reserve is required. Translated, this would mean that over the next 33 years, annual fund balance increases should be over \$7,000.

The 1964 levy was adjusted upward to reflect the increased pension load. It was for \$14,000, and would have provided normal progress during the year ended April 30, 1966, if there had been no further retirements during that year. In fact, two men retired during the year ended April 30, 1966. Fortunately, the 1965 levy, which will be collected during the year ending April 30, 1967, was increased to \$18,000. We recommend that the 1966 levy be \$20,000.

RECEIVABLES

We wish to call attention to two receivables of the fund, mentioned in a footnote to Schedule I. An amount of \$25.37 is due from the City of Urbana for February, 1965 licenses not remitted. An amount of \$113.70 is due for pension withholding on a member who was on leave of absence from Nov. 15, 1963 to May 8, 1964. These two items are carried over from the year ended April 30, 1965.

APPRECIATION

We wish to thank the Board members and City officials for their friendly cooperation.

The report schedules follow.
